Problems Understanding Instructions

Read/Download
Problems understanding if I'm doing first sync correctly. I am uncertain from your instructions as to whether the initial setup (initial run of acd_cli sync) can be.

Dyslexia literally means having trouble with reading, but the word is often used for finding it hard to understand and follow instructions, mixing up left and right. Gillet, Jean Wallace is the author of 'Understanding Reading Problems : Assessment and Instruction', published 2011 under ISBN 9780132617499 and ISBN.
